	Economy ^{*11}	G1-76 BK: 9,000 G1-76 C/M/Y: 21,000	

Specifications are subject to change without notice.

- *1 Ink droplets can be placed with a pitch of 1/4,800 inch at minimum.
- *2 Document print speeds are the averages of ESAT (Word, Excel, PDF) in Office Category Test for the default simplex mode, ISO/IEC 24734. Photo print speed is based on the default setting using ISO/JIS-SC18 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc.
- *3 Paper types NOT supported for borderless printing are as follows: Envelope, High Resolution Paper, T-Shirt Transfer, Photo Stickers.
- *4 T/WAIN driver (ScanGear) is based on the T/WAIN specification V1.9 and requires the Data Source Manager comes with the operating system.
- *5 Optical resolution is a measure of maximum hardware sampling resolution, based on ISO 14473 standard. Optical resolution scan is available, only when you use T/WAIN Driver.
- *6 Copy speeds are the average of sFCOT and sESAT, ISO/IEC 29183. Copy speeds (ADF) are ESAT of copy in sequence, ISO/IEC24735. Copy speed may vary depending on document complexity, copy mode, page coverage, type of paper used etc. and does not take into account warm-up time.
- *7 Black & white document fax transmission speed is based on default setting using ITU-T No.1 chart. Colour document fax transmission speed is based on default setting using Canon Color Fax Test Sheet. Actual transmission speed may vary depending on document complexity, fax settings at receiving end, and line conditions etc.
- *8 Page count is based on ITU-T No.1 chart or Canon FAX Standard Chart No.1.
- *9 Operation can only be guaranteed on a PC with pre-installed Windows 7 or later.
- *10 Page Yield is the estimated value based on Canon individual test method using the ISO/IEC 24712 colour chart and continuous printing simulation with the replacement after initial setup.
- *11 The Economy mode reduces the ink consumption by lowering the density. 50% more pages can be printed by using this mode.

NOTE: All printers work in Operating Environment of Temperature: 5 - 35°C; Humidity: 10 - 90% RH (no dew condensation). The performance of the printer may be reduced under certain temperature and humidity conditions. All printers work in Storage Environment of Temperature 0 - 40°C; 5 - 95% RH (no dew condensation). For the temperature and humidity conditions of papers such as photo paper, refer to the paper's packaging or the supplied instructions.

MAXIFY INK EFFICIENT
GX7070 | GX6070

THE NEW MAXIFY GX7070 AND GX6070

REFILLABLE INK TANK PRINTERS

Feature-packed and delivering a richness in colours rivalling colour laser printers, the latest Canon MAXIFY GX7070 and GX6070 are the perfect fit for small offices and businesses, allowing unbridled freedom when printing in colour without ever having to worry about cost.

SIMPLE INK REFILL AND MAINTENANCE

Ink refill made easy – simply fit the ink bottle without the need to squeeze the bottle. Once the tank becomes full, the bottle will automatically stop injecting ink. Unique nozzles and receptacles on both bottles and ink tanks prevent any potential refill

mistakes. The easy-to-replace maintenance cartridge also makes maintenance easy and extends printer lifetime even when printing in high volumes.

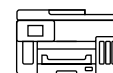

CONVENTIONAL LASER PRINTER

GX7070
L – 399 mm
W – 410 mm
H – 314 mm

A GOOD FIT FOR SMALL OFFICES

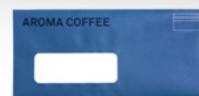

Compact design allows the printers to fit easily into smaller office spaces and desktops at home.

GX6070
L – 399 mm
W – 410 mm
H – 254 mm

BANNER PAPER

WINDOW ENVELOPE

LABELS

ONE PRINTER. MULTIPLE POSSIBILITIES.

The GX7070 and GX6070 support a wide variety of print media such as sticker papers, banner papers, and window envelopes. Fulfill all your business needs by printing labels, store-front posters, or point-of-purchase displays too.

Window Envelopes

Labels

Glossy Papers

Banner Papers

Magnetic Sheets

ANYTIME ACCESS WITH WIRELESS PRINTING AND CLOUD STORAGE

Link your printer with the Canon PRINT Inkjet/SELPHY app to connect from tablets and smartphones. All you need is a Wi-Fi connection to print documents, webpages, and photos wirelessly, scan and store images to cloud storage.

ENHANCED PRINT PRODUCTIVITY

Reduce scanning time with the fast, single pass, 2-sided Auto Document Feeder (DADF)*. Scan double-sided documents in one single paper pass.

*Available on GX7070 only.

IMPROVED FEATURES FOR BUSINESS EFFICIENCY

Easily connect the printer to the network environment through a mobile application. Digitise office workflow and make sharing amongst users easier by sending scanned documents and data to shared network folders, USB storage or email addresses.
